March 5, 2015

PALM BEACH, Fla.--(BUSINESS WIRE)--Mar. 5, 2015-- At the AmerisourceBergen Corporation (NYSE:ABC) annual meeting of stockholders, held today in Palm Beach, Florida, Company stockholders elected ten directors to serve for a one-year term: Ornella Barra, Steven H. Collis, Douglas R. Conant, Richard W. Gochnauer, Richard C. Gozon, Lon R. Greenberg, Jane E. Henney, M.D., Kathleen W. Hyle, Michael J. Long, and Henry W. McGee. Following the conclusion of the meeting, Edward E. Hagenlocker retired from the AmerisourceBergen Board of Directors.

"On behalf of the entire board, I want to thank Ed for his many years of outstanding service to AmerisourceBergen," said Richard C. Gozon, Chairman of the Board of Directors. "Ed's insight and counsel have been invaluable, and we wish him the best in his retirement."

"I extend my sincere gratitude and appreciation to Ed for the many contributions that he has made to the success of AmerisourceBergen and congratulate him on his retirement," said Steven H. Collis, AmerisourceBergen President and Chief Executive Officer.

During the meeting, stockholders also ratified the appointment of Ernst & Young as the Company's independent registered public accounting firm for fiscal year 2015 and approved the compensation of our named executive officers. The Company's stockholders did not approve a stockholder proposal to permit stockholder action by written consent.

The AmerisourceBergen Board of Directors is comprised of ten members, all of whom are independent directors, except President and Chief Executive Officer Steven H. Collis and director Ornella Barra. Detailed biographies for all board members are available in the Company's 2015 proxy statement and on its website www.amerisourcebergen.com.

AmerisourceBergen's Cautionary Note Regarding Forward-Looking Statements

Certain of the statements contained in this press release are "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Words such as "expect," "likely," "outlook," "forecast," "would," "could," "should," "can," "will," "project," "intend," "plan," "continue," "sustain," "synergy," "on track," "believe," "seek," "estimate," "anticipate," "may," "possible," "assume," variations of such words, and similar expressions are intended to identify such forward-looking statements. These statements are based on management's current expectations and are subject to uncertainty and change in circumstances. These statements are not guarantees of future performance and are based on assumptions that could prove incorrect or could cause actual results to vary materially from those indicated. Among the factors that could cause actual results to differ materially from those projected, anticipated, or implied are the following: changes in pharmaceutical market growth rates; price inflation in branded and generic pharmaceuticals and price deflation in generics; declining economic conditions, increased costs of maintaining, or reductions in AmerisourceBergen's ability to maintain, adequate liquidity and financing sources, and interest rate and foreign currency exchange rate fluctuations; the disruption of AmerisourceBergen's cash flow and ability to return value to its stockholders in accordance with its past practices, disruption of or changes in vendor, payer and customer relationships and terms, and the reduction of AmerisourceBergen's operational, strategic or financial flexibility; volatility and disruption of the capital and credit markets; economic, business, competitive and/or regulatory developments in countries where AmerisourceBergen does business and/or operates outside of the United States; supplier bankruptcies, insolvencies or other credit failures; customer bankruptcies, insolvencies or other credit failures; the loss of one or more key customer or supplier relationships resulting in changes to the customer or supplier mix; the retention of key customer or supplier relationships under less favorable economics or the adverse resolution of any contract or other dispute with customers or suppliers; risks associated with the strategic, long-term relationship among Walgreen Boots Alliance, Inc., and AmerisourceBergen, including the occurrence of any event, change or other circumstance that could give rise to the termination, cross-termination or modification of any of the transaction documents among the parties (including, among others, the distribution agreement or the generics agreement), an impact on AmerisourceBergen's earnings per share resulting from the issuance of the warrants to subsidiaries of Walgreen Boots Alliance, Inc. (the "Warrants"), an inability to realize anticipated benefits (including benefits resulting from participation in the Walgreens Boots Alliance Development GmbH joint venture), AmerisourceBergen's inability to implement its hedging strategy to mitigate the potentially dilutive effect of the issuance of its common stock under its special share repurchase program due to its financial performance, the current and future share price of its common stock, its expected cash flows, competing priorities for capital, and overall market conditions; increasing governmental regulations regarding the pharmaceutical supply channel; federal and state government enforcement initiatives to detect and prevent suspicious orders of controlled substances and the diversion of controlled substances, federal and state prosecution of alleged violations of related laws and regulations, and any related litigation, including shareholder derivative lawsuits or other disputes relating to our distribution of controlled substances; changes in federal and state legislation or regulatory action affecting pharmaceutical product pricing or reimbursement policies, including under Medicaid and Medicare, and the effect of such changes on AmerisourceBergen's customers; frequent changes to laws and regulations in respect of healthcare fraud and abuse and the increased scrutiny of the federal government related thereto; qui tam litigation for alleged violations of fraud and abuse laws and regulations and/or any other laws and regulations governing the marketing, sale, purchase and/or dispensing of pharmaceutical products or services and any related litigation, including shareholder derivative lawsuits; the acquisition of businesses that do not perform as AmerisourceBergen expects or that are difficult for it to integrate or control or AmerisourceBergen's inability to successfully complete any other transaction that it may wish to pursue from time to time; risks associated with the acquisition of MWI Veterinary Supply, Inc. ("MWI"), including the anticipated changes in the business environment in which AmerisourceBergen or MWI operates and in AmerisourceBergen's future operating results relating to the potential benefits of the acquisition of MWI; risks associated with international business operations, including non-compliance with the U.S. Foreign Corrupt Practices Act, anti-bribery laws and economic sanctions and import laws and regulations; risks generally associated with the sophisticated information systems on which AmerisourceBergen relies, including significant breakdown or interruption of such systems; risks

generally associated with data privacy regulation and the international transfer of personal data; changes in tax laws or legislative initiatives that could adversely affect AmerisourceBergen's tax positions and/or AmerisourceBergen's tax liabilities or adverse resolution of challenges to AmerisourceBergen's tax positions; natural disasters or other unexpected events that affect AmerisourceBergen's operations; and other economic, business, competitive, legal, tax, regulatory and/or operational factors affecting AmerisourceBergen's business generally. Certain additional factors that management believes could cause actual outcomes and results to differ materially from those described in forward-looking statements are set forth (i) in Item 1A (Risk Factors) and Item 1 (Business) in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2014 and elsewhere in that report and (ii) in other reports.
